Certificate of Recognition

Presented to

Purple Lotus

in honor of 10 years of business success as a thriving and local contributor to the San José economy.

August 20, 2020

Councilmember Johnny Khamis
City of San José, District 10

Over \$15 million in taxes to City of San Jose

Our mission is to improve our community through cannabis excellence, community focus, and consistent professionalism while being a strong economic partner to communities across California.

Statewide Expansion

1. PL 2nd retail location, 2022
 - Expand to our unannounced 2nd location in Silicon Valley
 - 3,000,000 potential customers / 3 million potential customers
2. Acquiring Assets
 - Purchasing select retail assets that fit Purple Lotus' strategic plan.
 - Leverage our operational expertise and long-standing methods of profitability.
3. Delivery Augmentation, Development & Enlargement
 - Burlingame Delivery License - Acquired ✓
 - Oakland Delivery License - Acquired ✓
 - LA Area Expansion - Negotiation for terms of Licenses ✓

As we acquire licenses organically throughout California we will use retail locations at HUB SPOTS to exponentially reach and service our communities - up to a 70 mile radius. The "Ice Cream Truck" Model combined with a proprietary state of the art technology platform - we can service 100's of customers per day in each zone with ease

Demonstrated Strengths

Brand Strength

- Quick access to market and data to leverage our assets for success
- Ability to launch products quickly and efficiently
- PLPC has been a well-known and respected dispensary in Northern California since its inception in 2010
- The Lotus model is designed to find the best products in every category

Data Collection

- 10 Years of Data Collection coupled with Looker BI
 - One of the only dispensaries to utilize big data analytics
 - First mover data advantage
- The Data Advantage:**
1. Full Transparency of Customer Base
 2. Ability to Predict Sales
 3. Driving Force of Weekly Revenue
 4. Opportunity for 0 Aged Inventory
 5. Target Market Segmentations for increased market share
 6. Efficient product development through data analysis and fast surveying

Delivery Operations

- By the numbers:
 - Average Daily Deliveries: 150
 - Average Cart Size \$: \$125
 - Average Items / Cart: 3.86
- Our growth strategy reflects a model that combines logistics and technology to enable targeted delivery services to various zip codes and regions, with all route logistics and inventory managed through sophisticated software
- Leveraging technology to scale delivery operations in a push for Statewide Delivery Expansion
- Real time flexibility to increase delivery sales based on location proximity
- Ability to leverage technology to control additional distribution networks through technology licensing

Corporate Governance

- Top notch legal and advisory team with 25+ combined years of cannabis legal experience
 - PLPC has local licenses and relationships that provide vital information for navigating the regulated marketplace
 - Annual state licenses have been acquired for Retail, Distribution and Cultivation
 - Our strong regulatory position provides supply chain security to our business and select priority business partners
- Planning for the future:**
- Successful IRS 280-E Audit
 - Successful Yearly Third Party Audits
 - Successful Quarterly City & State Audits

Bay Area & Beyond

- Partnering with the right locality that will create a symbiotic relationship for our communities
- Purchasing select retail assets that fit Purple Lotus' strategic plan.

Statewide Delivery

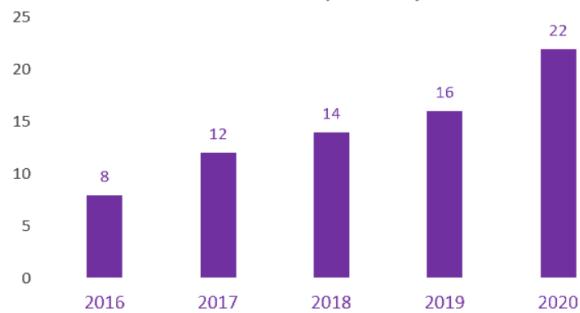

- Expanded reach through proprietary technology that will allow us to service the entire state
- Largest single-site dispensary in California with enormous shelf space

A Commitment to Excellence

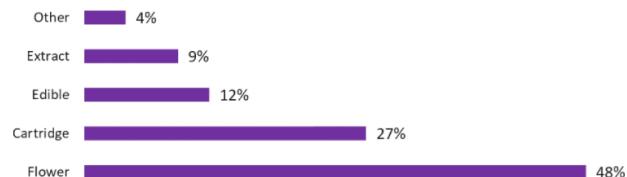

Purple Lotus is committed to providing excellence to its market and consumer. The partnership between Local Municipalities and Purple Lotus is set to grow its reach throughout the state. A perfect union is formed when quality and preparation meets opportunity.

- Purple Lotus is willing to commit to community improvement in every city we do business
- Purple Lotus is willing to commit to an open-door policy for our neighbors to voice their opinions and concerns
- Purple Lotus is willing to commit to donate to various organizations that will benefit our community
